I've had a problem or two (I've had a problem or two)
With the things that I know that I'd ought to not do (ought a not do)
I said I'd just have a few (just have a few an I'm done)
And I'm fucked up again but I guess it's nothing new
Is it surprising to you
Knowing everything about all the substance I abuse
And if you didn't
(If you didn't know) whoa now you know (now you know) now you know
Whoahohohohohoooooooh (is it surprising to you) it's so surprising t
o you
Whoa (whoa) whoa (whoa)
Whoahohohohohohoooooooh

And their both working out making sure that my heart stops beating an
d i know
This is clearly not the better me and I truly see
That this has gotten the best of me now
And I know that it's got to be something
I can feel it pulling me down to the ground
So I sew the edge of this glass back to my mouth

Twist it up fold me down
Don't want to be here when tomorrow rolls around
Oh I'm alive but I don't want to be
Can't get away from things my body tells me I need
Is it surprising to you
Knowing everything about all the substance I abuse (substance I abuse
)
And if you didn't (if you didn't know) whoa oh now you know now you k
