

# Paradise

Jamie's Elsewhere

Illusory projections  
Bound to existence behind veiled eyes  
Evolution or consequence  
We tear through time itself  
Feel, Breathe, Panic, Repeat  
Shed your beliefs  
Find safety in the machine

Assimilate and integrate  
Enlightenment is just one breath away  
New digital deities  
Ascend; become Creator

The new gods  
Tyrants of our own paradise  
Feel, Breathe, Suffer, Repeat  
Upload your soul  
Let go of the mortal coil

Enlightenment is just one breath away
