

# Emily

**Jamie Scott**

Oh it's late in the morning and I lay between the sheets  
There's a hole in my bed where your body used to be  
The hardest thing I'd ever had to know  
Was to watch you go, just to watch you go

I pictured you beside me you were there in every sound  
I thought about you then and I still think about you now  
The hardest thing I'd ever had to know  
Was to watch you go, just to watch you go

Emily it's late but that's okay, I'll wait for you  
Right here on this wooden bench, I'll stay still in love with you  
Emily, woah, ooh, whoa, whoa, oh, Emily

I remember when we prospered, I remember when we failed  
We talked about our future, never thought it would entail  
The hardest thing I'd ever had to know  
Just to watch you go, just to watch you go

I traveled through the old town where we both got our names  
Our faded scratched initials on the oak tree still remain  
I walked around but it don't feel the same  
Since I watched you go, oh I watched you go

Emily it's late but that's okay, I'll wait for you  
Right here on this wooden bench, I'll stay still in love with you  
Emily, woah, ooh, whoa, whoa, oh, Emily

La la la la la la la la la la la la la la la la Wish that you had stayed  
La la la la la la la la la la la la la la Oh Emily  
Oh, oh

Emily it's late but that's okay, I'll wait for you  
Right here on this wooden bench, I'll stay still in love with you  
Emily, woah, ooh, whoa, whoa, oh, Emily
