

# We Won It Six Times

Jamie Webster

We've won it at Wembley  
We won it in Paris  
In '77 and '84 it was Rome  
We won it five times  
We won it five times  
In Istanbul, we won it five times

Stevie G's eyes lit up  
When he lifted the European cup  
21 years and now the cup is coming back home  
We won it five times  
We won it five times  
In Istanbul, we won it five times

Divock scored in Spain  
And the Reds went fucking insane  
14 years and now kings of Europe once more  
We've won it six times  
We've won it six times  
We went to Madrid, and won it six times  
We've won it six times  
We've won it six times  
We went to Madrid, and won it six times
