Why
When

When my hips get tight
When my mind gets mean
When I'm covered in dirt
When I feel unseen
When my friends are hurting
When the world won't change
When we keep it moving
On a planet in space
Let the stress slide out
Let it feed the weeds
Let it make new life
Grow the greenest green
Gonna count to 3
Gonna count to 10
Not a question why
It's a question of when

3
10
Why
When

Gonna count to 3
Gonna count to 10
Not a question why
It's a question of when

I'm a broken man
I'm a sprawling sky
And I float on air
When I find my stride
In the fog of peacetime
On my isle of greed
When the rhythm gets boring
When I forget to breathe
When it makes no sense
When it's going wild
Need the mind of a monk
And the heart of a child

Gonna count to 3
Gonna count to 10
Not a question why
It's a question of when

And it's almost time...
1, 2, 3
10
Why
When

Gonna count to 3

```
Gonna count to 10
Not a question why
It's a question of when

Why
When

Gonna count to 3
Gonna count to 10
Not a question why
It's a question of when

Yeah there's no one here
And I'm standing by
Been dead for a while
And it's almost time
I'm a broken man
I'm a sprawling sky
And I float on air
When I find my stride
```
