

ANSWER (Demo Ver.)

JAMIE

See, we are friends, but you gotta know that
How you and I, uh, I don't get it
You change when you talk, when you look at me
I know that no one knows what I can see

So what are we, what are we?
The problem is your answer, baby
Oh-oh, oh-oh, no

I want to know your answer (Baby, tell me)
I need to know your answer (Baby, just tell me)
Tell me quick, am I the only one who is feeling dumb?
I want to know your answer (Baby, tell me)
I need to know your answer (Baby, just tell me)
Tell me quick, baby, please

I can wait no more, your answer, baby
I can wait no more, (I can wait)
Your answer, baby
Baby, baby

The night we walked together
I wanted you to stay with me forever
I see you try to play it cool
But you're just acting like a fool, I know

So what are we, what are we?
The problem is your answer, baby
Oh-oh, oh-oh, no-no-no

I want to know your answer (Baby, tell me)
I need to know your answer (Baby, just tell me)
Tell me quick, am I the only one who is feeling dumb?
Baby, I want to know your answer (Baby, tell me)
I need to know your answer (Baby, just tell me)
