

So Good To Feel Real

Jamiroquai

Ah ah, ah ah, ah ah
(Feel so good)
Ah ah, ah ah, ah ah
(Feel so good)
Ah ah, ah ah, ah ah
(Feel so good)
Ah ah

I woke up today by the sound of singing birds
And my lips were glazed with these simple inspiration words

You know it feels so good to be real, yeah yeah
You know it feels so good just feel, yeah yeah

La la la la la la la, yeah
La la la la la la la la la
La la la la la la, yeah

(Ah)
Feel so good
Feel so good
Ah, feel so good

Well, I heard the word, something's going down
And I feel like a bird in the sky, in the sky

You know I feel so good, just feel this real
