

## Philadelphia, Pa.

Jan & Dean

I can still hear the music playin'  
Harold, Jess, Steven, Pat and Molaterry swayin'  
And I still hear Dick Clark saying  
"This portion of American Bandstand is brought to you by..."

I remember when they started the stroll  
The Diamonds were the group atop the teenage poll  
Danny and the Juniors singing:  
Oh baby, let's go to the Hop  
Oh baby, let's go to the Hop

I remember Philadelphia, Philadelphia, PA  
All the kids on bandstand, across the USA

Come on Duane twang that thang  
Come on Duane twang that thang

46th and Market Street that place ain't mean  
Have'ta get there early gotta get a seat  
To hear Chubby, Bob, Frank and babe singin' the beat  
Let's twist again, like we did last summer, ya!  
Bobby Darin's on his way to the scene singin'  
"Oh, splash splash sure was clean!"  
Remember Dick Clark saying: "Here's Don and Phil..."

Dreeeeeam, dream, dream, dreeeam  
Dreeeeeam...
