

Way Down Yonder In New Orleans

Jan & Dean

Well way down yonder in New Orleans
In the land of the dreamy dreams
There's a garden of Eden, you know what I mean
Yeah, Creole babies with flashing eyes
Softly whispering with the tender sighs
And then you stop, won't you give your lady fair
A little smile
And then you stop, you bet your life you'll linger there
A little while
Yeah there is heaven right here on earth, with those beautiful
queens
Yeah, way down yonder in New Orleans

Woo...

Well way down yonder in New Orleans
In the land of the dreamy dreams
There's a garden of Eden, you know what I mean
Yeah, Creole babies with flashing eyes
Softly whispering with the tender sighs
And then you stop, won't you give your lady fair
A little smile
And then you stop, you bet your life you'll linger there
A little while
Yeah there are angels hear on earth, wearing little blue jeans
Yeah, way down yonder in New Orleans

Woo...
