

When It's Over

Jan & Dean

When it's over
Will we have to part?
When you leave me
Will I have a broken heart?

Will you go your way
And I go mine
When it's over
When it's over

When it's over
Will I have a chance
Will you leave me
And find a new romance

Will you soon forget
The happy day we met
When it's over
When it's over

I can barely think ahead
To wonder what will be
I can't imagine
What tomorrow will see
Please don't leave me

Now that it's over
You don't have to go
Please just stay here
Let me love you more and more

Can't I just pretend
If I don't see you again
When it's over
When it's over
