

Hello

Jan Wayne

Woke up this morning
And the streets were full of cars
All bright and shiny like
They'd just arrived from Mars
And as I stumbled through
Last night's drunken debris
The paperboy screamed out
The headlines in the street

Another war and now the pound is looking weak
And tell me have we read about the latest freak
We're bingo numbers and our names are obsolete
Why do I feel bitter when I should be feeling sweet

Hello, hello
Turn your radio on (turn your radio on)
Is there anybody out there
Help me sing my song
Li-li-li-life is a strange thing
Just when you think you
Learned how to use it
It's gone

Come on!

Woke up this morning
And my head was in a daze
A brave new world has dawned
Upon the human race
But words are meaningless
And everything's surreal
But I have to reach my friends
To find out how I feel

And if I taste the honey is it really sweet
And do I eat it with my hands or with my feet
Does anybody really listen when I speak
Or will I have to say it all again next week

Hello, hello
Turn your radio on (turn your radio on)
Is there anybody out there
Help me sing my song
Li-li-li-life is a strange thing
Just when you think you
Learned how to use it
It's gone

Come on!

Li-li-li-life is a strange thing
Just when you think you
Learned how to use it
It's gone

Come on!
