

I Touch Myself

Jan Wayne

I love myself

I love myself, I love myself
I love myself, I love myself

I love myself
I want you to love me
When I'm feelin' down
I want you above me
I search myself
I want you to find me
I forget myself
I want you to remind me

I don't want anybody else
When I think about you
I touch myself
I don't want anybody else
Oh no, oh no, oh no

I don't want anybody else
When I think about you
I touch myself
I don't want anybody else
Oh no, oh no, oh no

I dont want anybody else
When I think about you
I touch myself
I don't want anybody else
Oh no, oh no, oh no

When I think about you
I touch myself
I don't want anybody else

When I think about you
I touch myself

When I think about you

You're the one who makes me come running
You're the sun who makes me shine
When you're around I'm always laughing
I wanna make you mine
you mine, you mine, I wanna make you mine
you mine, I wanna make you mine
you mine, I wanna make you mine
you mine

I close my eyes
And see you before me
Think I would die
If you were to ignore me
A fool could see
Just how much I adore you
I get down on my knees

I'd do anything for you

I love myself
I want you to love me
When I'm feelin' down
I want you above me
I search myself
I want you to find me
I forget myself
I want you to remind me

I don't want anybody else
I don't want anybody else
I don't want anybody else
When I think about you
I touch myself

I dont want anybody else
When I think about you
I touch myself
I don't want anybody else
Oh no, oh no, oh no

I dont want anybody else
When I think about you
I touch myself
I don't want anybody else
Oh no, oh no, oh no

When I think about you

I dont want anybody else
When I think about you
I touch myself
I don't want anybody else
Oh no, oh no, oh no

When I think about you
I touch myself
