

## Still crying over you

Jan Wayne

memories of you  
lying here forever  
till the end of time  
'cross my mind  
i believed in you  
in your sweet emotions  
can you  
hear me calling  
hear me calling  
since you walked and closed the door  
i'm not the same anymore  
and i'm  
waiting, hoping  
heaven will be open  
and i'm still  
still crying over you
