1. I don't want to be your everything.
Emi **G** **D** **A**
I don't want to be just a thing.
So hurry Up my darling I am getting cold.
I don't want to be here any more.
2. You don't notice I'm not in your bed.
Sometimes I think that everything was said.
So hurry Up my darling I am getting cold.
And I think I gotta get up and go.

R: La la lala lala lala lálala

3. Everything hes to be your way.
Reading your dawn paper every day.
So should I be your mother or your lover?
I'd have to look for another.
