

## Sweet child

Jana Kirschner

**Hmi**

1. Don't walk so close,  
Don't breathe so soft,  
Don't talk so sweet,  
Don't do these things,

**G**

'cos i'm bleedin'.

**Hmi**

Don't let me fall in love with you,

**G**

'cos i can't cry and only weep without you,

**Hmi**

Then could i hide if you watching me

**G**

Then could i be happy if you want to own me.

**Hmi**

You are happy and i was sad,  
That was everything we ever had

**G**

Between us.
