

Born To Be Blue

Jane Monheit

Some folks were meant to live in clover
But they are such a chosen few
And clover been green is something I've never seen
'Cause I was born to be blue

When there's a whole moon above me
They say there's moon beams I shoot
But moon beams be involved
Are something I can't behold
'Cause I was born to be blue

When I met you the world was bright and sunny
When you left the curtain fell
I'd like to laugh but nothing strikes me funny
Now our worlds are faded passed down

I guess I'm looking here that ain't saying for
I've known the thrill of loving you
And that alone is more than what I was created for
'Cause I was born to be blue

When I met you the world was bright and sunny
When you left the curtain fell
I'd like to laugh but nothing strikes me funny
Now our worlds are faded passed down

I guess I'm looking here that ain't saying for
I've known the thrill of loving you
And that alone is more than what I was created for
'Cause I was born to be blue
'Cause I was born to be blue
