

Hit The Road To Dreamland

Jane Monheit

Bye bye baby
time to hit the road to dreamland
You're my baby
dig you in the land of nod

Hold tight baby
we'll be swinging up in dreamland
All night baby
where the little cherubs trot

Look at that knocked out moon
You been a-blowing his top in the blue
Never saw the likes of you
What an angel

Bye bye baby
time to hit the road to dreamland
Don't cry baby
it was divine but the rooster has finally crowed
Time to hit the road
