

Like A Star

Jane Monheit

Just like a star across my sky
Just like an angel off the page
You have appeared to my life
Feel like I'll never be the same

Just like a song in my heart
Just like oil on my hands
Honored to love you

Still I wonder why it is
I don't argue like this with anyone but you
We do it all the time blowing out my mind

You've got this look I can't describe
You make me feel I'm alive
When everything else is au fait
Without a doubt you're on my side

Heaven has been away too long
Can't find the words to write this song

You're lovely still I wonder why it is
I don't argue like this with anyone but you
We do it all the time blowing out my mind

Now I have come to understand the way it is
it's not a secret anymore
cause we've been through that before
from tonight i know that you're the only one

i've been confused and in the dark
now i understand, yeah, yeah, oh, oh

I wonder why it is
I don't argue like this with anyone but you
I wonder why it is
I won't let my guard down for anyone but you
We do it all the time blowing out my mind

just like a star across my sky
just like an angel off the page
you have appeared to my life
feel like i'll never be the same

just like a song in my heart
just like oil on my hands
