Love Me Or Leave Me

Jane Monheit

Love me or leave me or let me be lonely You won't believe me but I love you only I'd rather be lonely than happy with somebody else

You might find the night time the right time for kissing But night time is my time for just reminiscing Regretting instead of forgetting with somebody else

There'll be no one unless that someone is you I intend to be independently blue

I want your love but I don't to borrow
To have it today and to give back tomorrow
My love is your love
There's no love for nobody else
