

Lucky To Be Me

Jane Monheit

What a day
Fortune smiled and came my way
Bringing love I never thought I'd see
I'm so lucky to be me

What a night
Suddenly you came in sight
Looking just the way I'd hoped you'd be
I'm so lucky to be me

I am simply thunderstruck
At this change in my luck
Knew at once I wanted you
Never dreamed you'd want me, too.

I'm so proud you chose me from all the crowd
There's no other girl I'd rather be
I could laugh out loud
I'm so lucky to be me

I used to think it might be fun to be
Anyone else but me
I thought that it would be a pleasant surprise
To see life in someone else's eyes

But now that I've found you
I've changed my point of view
And now I wouldn't give a dime to be
Anyone else but me
