I Would For You

Jane's Addiction

I'm everybody's slave
I made you my slave
You said
This I do for you
If it would help
To give the world back
What it gave
Then I would

You say my eyes Are crazy eyes Sometimes they are And so are you And if you wonder What I would do I would do Anything If I could You know I would I would I would I would for you I would for you I would for you I would for you I would for you
