Anytime

Jane Siberry

Anytime
Anytime
That you want me
I'll always be there

And in the darkest hour
I will always be nearby through love's power

Anytime (anytime)
Anytime (anytime)
That you want me
I'll always be there

And any day (any day)
Any day (any day)
That you want me
I'll always be there

And in the darkest hour
I will always be nearby through love's power

Oh....

I'll always be there
I'll always be there
I'll always be there
I will always be.....there
I will always be.....there

Someday (someday)
Someday (someday)
When I'm long gone
I'll still always be there

Yeah somehow (somehow)
Somehow (somehow)
Maybe in a song
Or maybe in the wind
Or maybe in the rain
Or maybe in the sunshine

I'll always be there
I'll always be there
I'll always be there
I'll always be there
I will always be.....there
I will always be.....there

I will always be (I will always be)
I will always be (I will always be)

I will always be.....there.
