

# Lovin' Cup

Jane Siberry

Every mornin' when I wake up  
I wonder which cup I will take up  
Kiss me, again

Monday, Wednesday  
Friday, Sunday

I am your lovin' cup  
Come on and fill me up

Cup of wonder, cup of light  
Cup of royal beauty bright

I am your lovin' cup  
Come on and fill me up

I am your lovin' cup  
Come on and fill me up

I am your lovin' cup  
Come on and fill me up

Every night before I sleep  
I wonder which cup I will keep
