

Whatever It Takes

Jane Wiedlin

Jane Wiedlin - Whatever it takes

Look up at the Stars
And tell me it's not possible
How can you despair?
When around you is a miracle

Love flows through our life
Like blood in our veins
Whatever it takes
I will be there to give you
Whatever it takes
I will be there

Look into my eyes
I could tell you prophecy
Of such strange desire
The promises and destiny
Now and forever
The unbroken love

Whatever it takes
I will be there to give it
Whatever it takes
I will be there
To live it
Whatever you need
I am the one
Who knows you
Wherever you go
I will be there for you
Always for you
For you
Always for you

Love flows through our life
Like blood in our veins
Whatever it takes
I will be there to give you
Whatever it takes
I will be there

And if you've forgotten the way
I will be there
To show you
Whenever you need me
I will be there
I will be there
I will be there
