

Dream It Possible

Jane Zhang

I will run, I will climb, I will soar
I'm undefeated
Jumping out of my skin, pull the chord
Yeah I'd believe it
The past, is everything we were, don't make us who we are
So I'll dream, until I make it real, and all I see is stars
It's not until you fall that you fly

When your dreams come alive you're unstoppable
Take the shot, chase the sun, find the beautiful
We will glow in the dark turning dust to gold
And we'll dream it possible

Possible

I will chase, I will reach, I will fly
Until I'm breaking, until I'm breaking
Out of my cage, like a bird in the night
I know I'm changing, I know I'm changing
In, into something big, better than before
And if it takes, takes a thousand lives
Then it's worth fighting for
It's not until you fall that you fly

When your dreams come alive you're unstoppable
Take the shot, chase the sun, find the beautiful
We will glow in the dark turning dust to gold
And we'll dream it possible

Possible

Possible

From the bottom to the top
We're sparking wildfires
Never quit and never stop
The rest of our lives
From the bottom to the top
We're sparking wildfires
Never quit and never stop
It's not until you fall that you fly

When your dreams come alive you're unstoppable
Take the shot, chase the sun, find the beautiful
We will glow in the dark turning dust to gold
And we'll dream it possible

Possible

We'll dream it possible
