

Fighting Shadows

Jane Zhang

No more running
We are on the edge of what could be the end

Don't come any closer to me
I guarantee you that's not what you want
I'm sure you thought that I would just lay down
But you were wrong

Give me all you got, don't hold nothin' back
Promise you you're gonna need it
Take your best shot, I'll just give it back
I'm on the winning side, we won't be defeated
I'm not afraid to die cause life is a battle
And fighting me, it'll be like fighting shadows

No surrender
I know how this ends, have been there
And it doesn't look good for you

Don't come any closer to me
I guarantee you that's not what you want
I'm sure you thought that I would just lay down
But you were wrong

Give me all you got, don't hold nothin' back
Promise you you're gonna need it
Take your best shot, I'll just give it back
I'm on the winning side, we won't be defeated
I'm not afraid to die cause life is a battle
And fighting me, it'll be like fighting shadows

It's all about survival, I'm doin' whatever's liable
To spend a day and a night with me, prolly could write a novel
I'm goin' through Hell and back so every room got a Bible
My enemies and my rivals is prolly within a mile
I'm ready
They want me to lay down or stay down but that ain't my fate now
I'm a hundred percent if you're testin' my faith
That I'm from a city where war is a playground
I've been livin' right and wrong, honestly it's just so much to say
But only God can judge me, if I die today it's judgement day, straight
t up

Give me all you got, don't hold nothin' back
Promise you you're gonna need it
Take your best shot, I'll just give it back
I'm on the winning side, we won't be defeated
I'm not afraid to die cause life is a battle
And fighting me, it'll be like fighting shadows
