

# Best in You

Janet Devlin

You're slamming doors  
Live on your phone  
And I'm the one who's trying but  
You're never home  
Baby we've grown  
So far apart  
I hate that I know  
Maybe I'd be better on my own

But then  
Suddenly, you're good to me  
I'm feeling like I'm flying  
'Forgive the way  
It's been', I say  
I love you more but deep down I know  
I'm addicted to the highs and the lows

The worst part of me  
Sees the best in you  
Thinking you'll change  
Babe is all I do  
And I know I should I leave  
Maybe I'm naive  
It's true, I only see  
The best in you oooh  
The best in you oooh

And I know I should I leave  
Maybe I'm naive  
It's true, I only see  
The best in you

My friends all say  
We've had our day  
Our history's repeating  
But I can't let go  
Oh and I know  
There's only so much more I can take  
I forgive and forget so you stay

The worst part of me  
Sees the best in you  
Thinking you'll change  
Babe is all I do  
And I know I should I leave  
Maybe I'm naive  
It's true, I only see  
The best in you oooh  
The best in you oooh

And I know I should I leave  
Maybe I'm naive  
It's true, I only see  
The best in you
