

# Merry Christmas Mum & Dad

Janet Devlin

Christmas day when we were young  
Out of bed we quickly sprung  
We hurried down the stairs  
'Cause we knew Santa Claus had been there  
Christmas day when we were young

But we forgot to say thank you  
'Cause we didn't know the truth  
But for everything you do  
I just wanna say:

Merry Christmas Mum and Dad  
You always gave us all you had  
And even when the times were tough  
We always had more than enough  
So Merry Christmas Mum and Dad

Christmas day now that I'm gone  
I always spend it back at home  
I wanna show you that I care  
And give you all you deserve  
Christmas day now that I'm gone

I don't forget to say thank you  
'Cause now I know the truth  
And for everything you do  
I just wanna say:

Merry Christmas Mum and Dad  
You always gave us all you had  
And even when the times were tough  
We always had more than enough  
So Merry Christmas Mum and Dad

I don't forget to say thank you  
'Cause now I know the truth  
And for everything you do  
I just wanna say:

Thank you for the magic you brought me up in  
Thank you for the wonder and always being near  
I just wanted you to know that everything you've done  
I'm grateful for  
Thank you for the love you gave

Merry Christmas Mum and Dad  
You always gave us all you had  
And even when the times were tough  
We always had more than enough  
So Merry Christmas Mum and Dad

So Merry Christmas Mum and Dad  
So Merry Christmas Mum and Dad
