

The Problem Is Me

Janet Devlin

Maybe I've been ruining my life
Shifting the blame and I don't know why
The common theme, the misery
Ignored the fact that's it's been staring back at me
It's me, the problem is me

So where's my applause
For finding my flaws?

Didn't I, didn't I, didn't I, didn't I try?
Didn't I, didn't I, didn't I, didn't I try?
But I've been playing the victim
Now they don't listen to me anymore
But didn't I, didn't I, didn't I, didn't I try?

Walking bare feet on the broken glass
Never trying to amend the past
And everyone they hold their tongue
In case I'm overthinking and I take it wrong
It's me, it's always been me

So where's my applause
For finding my flaws?

Didn't I, didn't I, didn't I, didn't I try?
Didn't I, didn't I, didn't I, didn't I try?
But I've been playing the victim
Now they don't listen to me anymore
But didn't I didn't didn't I didn't I try?
