

2nite

Janet Jackson

Somethin' in the air has got me feeling like I'm ready 2nite
Oh, oh
Somethin' in the air has got me feeling like I'm ready 2nite

Close the door
Dim the lights
Make me feel wonderful and feel tonight
I like control
So let me ride
If you're strong, hold up boy and forget the time

[Chorus:]
Ain't you curious, don't you wanna know
(Don't you wanna know, wanna know)
Just how far you think, my love can go
Somethin in the air tonight
I don't want to be alone
I need you to keep me warm
Baby reach out, touch me
Somethin' in the air has got me feeling like I'm ready 2nite
But I feel this so so real
I want you to take me there
Baby reach out, touch me
Somethin' in the air has got me feeling like I'm ready 2nite

My body's here
I'm soakin' wet
I wanna give you somethin that you wont forget
Your appetite
You're so for me
Maybe you can never at all, just wait and see

[Chorus]
Boy, you're what I want, give it all you got
Please don't ever stop
Doing thing to me yeah, keep doing thing to me, yeah
Is this what you like
Don't make sense to fight, do it all night
Keep doing thing to me, yeah

This is what I want, we both know
That the time is so right (time is so right)
Boy I need, you so much
Please don't leave me alone (leave me alone)
Tonight

Don't leave me tonight
Don't leave me alone tonight
Don't leave me tonight
Somethin' in the air tonight

Oh, I don't want to be alone
I need you to keep me warm
Baby reach out, touch me
Somethin' in the air has got me feeling like I'm ready 2nite
But I feel this so so real

I want you to take me there
Baby reach out, touch me
Somethin' in the air has got me feeling like I'm ready 2nite
