

# Control

Janet Jackson

This is story about control  
My control Control of what I say  
Control of what I do  
And this time I'm gonna do it my way  
I hope you enjoy this as much as I do  
Are we ready?  
I am 'Cause it`s all about control,  
And I've got lots of it

When I was 17 I did what people told me  
Did what my father said,  
and let my mother mold me  
But that was a long ago,

I'm in Control - Never gonna stop  
Control - To get what I want  
Control - I like to have a lot  
Control - Now I'm all grown up

First time I fell in love, I didn't know what hit me  
So young and so naive, I thought it would be easy  
Now I know I got to take

Control - Now I've got a lot  
Control - To get what I want  
Control - I'm never gonna stop  
Control - Now i'm all grown up

Jam, woo woo...  
Rebel, that's right  
I'm on my own,  
I'll call my own shots  
Thank you

Got my own mind  
I want to make my own decisions  
When it has to do with my life, my life  
I wanna be the one in control

So let me take you by the hand,  
and lead you on this dance (Control)  
Is what I've got, because I do with chance  
I don't wanna rule the world,  
just wanna run my life (ooh  
So make your life a little easier ...  
When you get the chance just take control

Control - Now I've got a lot, ooh  
Control - To get what I want, oww!  
Control - I'm never gonna stop  
Control - Now I'm all grown up, ohh!

Free...at last  
Out here on my own  
Ooh ooh ooh yeah, hee  
Now control this...

Uh Control - That's right  
Control - Career moves  
Control - I do what's right for me  
Control - And me wants to groove, Is that ok?  
Yeah...Oooh, Control

I've got own mind  
Ooh baby  
Yeah yeah, yeah yeah  
I've got my own mind  
Wanna make my own decisions  
When it has to do with my life  
I wanna be the one in control

Hop to it  
I'm in control, and I love it, hahaha... thats right  
Control  
Now I've got a lot  
Control  
Now I'm all grown up Aahh!  
I'm in control - Uhhh  
I'm in control - AhhhhI'm in control  
Uhhh Don't make me lose it!
