

# Escapade

Janet Jackson

As I was walkin' by  
Saw you standin' there with a smile  
Lookin' shy, you caught my eye  
Thought you'd want to hang for a while  
Well I'd like to be with you  
And you know it's Friday too  
I hope you can find the time  
This weekend to relax and unwind

My mind's tired  
I've worked so hard all week  
Cashed my check  
I'm ready to go  
I promise you  
I'll show you such a good time

Come on baby, let's get away  
Let's save our troubles for another day  
Come go with me, we've got it made  
Let me take you on an escapade (let's go)

Escapade  
We'll have a good time  
Escapade  
Leave your worries behind  
Escapade  
Well you could be mine  
Escapade  
An escapade

So don't hold back  
Just have a good time, yeah yeah  
We'll make the rules up as we go along  
And break them all if we're not havin' fun

Come on baby let's get away  
Let's save our troubles for another day  
Come go with me we've got it made  
Let me take you on an escapade

Leave your worries behind

Well you could be mine

An escapade

(My mind's tired I've worked  
Worked so hard all week  
I just got paid, we've got it made

Ready to go  
I promise you I'll show you  
Such a good time)
