

I'm Here

Janet Jackson

I'm here
You'll never have to be alone
I'm here
'Cause all I wanna be is with you

So don't
Think you walk the path alone
Please say
That you want me to be the heart of you

Baby, here I am
Please let me know what to do

I don't wanna hear you say
Your heart is all in knots
Because life has left you without love
And now you're all you got

And you know I don't wanna hear you say
Your wall stands tall of stone
Because love harassed you with pain
You feel you'll grow old alone

Eyes wide open
Tell me what do you see in me?
Someone wanting to love you deeply
Won't you let me?

I'm here
You'll never have to be alone
I'm here
'Cause all I wanna be is with you

So don't
Think you walk the path alone
Please say
That you want me to be the heart of you

Baby, here I am
Please let me know what to do

I don't wanna hear you say
Your heart won't be cherished
An original Picasso masterpiece
Is what it is

And you know I don't think that
You should say you have something to fear
How could someone share your gladness
And not share in all your tears?

Eyes wide open
Tell me what do you see in me?
Someone who loves you for you deeply
Why don't you let me?

I'm here

You'll never have to be alone
I'm here
'Cause all I wanna be is with you

So don't
Think you walk the path alone
Please say
That you want me to be the heart of you

Baby, here I am
Please let me know what to do

Take my hand, let love surround you
No more aches inside
Smother you with kisses, laughter, tickles
Through the night

Behind if you like
As my soft lips wonders you
All night
I'm here

I'm here
You'll never have to be alone
I'm here
'Cause all I wanna be is with you

So don't
Think you walk the path alone
Please say
That you want me to be the heart of you

Baby, here I am
Please let me know what to do
