

# Well Traveled

Janet Jackson

I don't know where this journey will end  
Cause the world keeps calling me  
At home people embrace me as a friend  
And I'm loving all the energy

I've come a long way  
Got a long way to go  
And I'm so well traveled  
The only place in my life that I'll miss  
It's on my bucket list  
It's a place I don't know

In every race  
Every place that I've ever been  
There is so much beauty  
Down every highway's the by-way to exit again  
So much love I never wanna leave

I've come a long way  
Got a long way to go  
Cause I'm so well traveled  
Wherever life takes me I'm willing to go  
Whatever it takes from me  
I'ma let it all go

I think it's time to go  
Cause I'm so well traveled  
Never stay too long  
Cause I'm so well traveled

Trippin' round the world  
Destination unknown  
Gotta keep movin'  
Until I'm gone  
To find the place  
I never wanna arrive  
Cause if I ever reach there  
There's no place left to go
