

# Love Have Mercy

Janie Fricke

Girlfriends warned me  
Don't believe his lies  
I felt so helpless  
Looking in his eyes

I couldn't resist those tender looks  
I couldn't resist his charms  
I should have known  
If he got me alone  
I'd wind up in his arms

Oh, love have mercy on my heart tonight  
I'm out of control, he's holding me tight  
It's too late to worry  
Too weak to fight  
Oh, love, have mercy on me tonight

Didn't listen to my friends advice  
No one, tells me, how to live my life  
They said; "If you know what's good for you  
Take your heart and run"  
But, if I do what others say  
I wouldn't have any fun

Oh, love have mercy on my heart tonight  
I'm out of control, he's holding me tight  
It's too late to worry  
Too weak to fight  
Oh, love, have mercy on me tonight

Oh, love have mercy on my heart tonight  
I'm out of control, he's holding me tight  
It's too late to worry  
Too weak to fight  
Oh, love, have mercy on me tonight

Oh, love have mercy  
Oh, love have mercy on my heart tonight

Oh, love have mercy  
Oh, love have mercy on my heart tonight  
Oh, love have mercy
