

## Playin' Hard to Get

Janie Fricke

Well, guess who's knockin' at your door, yeah, it's me  
Would you mind if I came in  
I got this feeling I just can't shake  
It's no use trying to pretend

Well, guess who's nervous honey, yeah, it's me  
The one who said, she didn't care  
But, if you look in my arms right now  
I think you'll see what's really there

Playin' hard to get, is gettin' hard to play  
I was doin' fine, till this heart of mine, got in the way  
But,, playin' hard to get, is gettin' hard to play  
But, then, I really didn't fit the part anyway

Guess, I surprised you honey, standin' here  
I bet you don't know what to say  
Just hold me close, and all the words will come  
If, we just let love have its way

Oh, playin' hard to get, is gettin' hard to play  
I was doin' fine, till this heart of mine, got in the way  
Oh, playin' hard to get, is gettin' hard to play  
But, then I really didn't fit the part anyway

Oh, playin' hard to get, is gettin' hard to play  
I was doin' fine, till this heart of mine, got in the way  
Oh, playin' hard to get, is gettin' hard to play  
But, then I really didn't fit the part anyway

Oh, playin' hard to get, is gettin' hard to play...
