

## Baby's Blue

Janis Ian

Baby's blue, and he's blue over you  
Babe, he's blue, and I know he's only blue  
Over you, yeah, over you who were

Sugar and spice (to him)  
And everything nice (to him)  
You didn't do right to him  
Now you no longer lie by him  
Babe, he's blue  
And I know he's only blue  
Over you, yeah, only over you

Now, I'm old enough to know there are some things  
That should never be heard  
I'm old enough to know there are feelings  
You just can't put into words  
Ah, but he's hurt

He's laughing on the outside, looking in at you  
Crying on the inside, looking out at you  
And he's laughing outside, smiling outside  
He's dying inside

Babe, he's blue  
You know he's only blue  
Over you, yeah, over you  
Baby's blue, and you know why he's blue  
Only over you  
He's blue only over you

Sugar and spice (to him)  
And everything nice (to him)  
You didn't do right to him  
Now you no longer lie by him  
Babe, he's blue  
And I know he's only blue  
Over you, yeah, only over you

Baby, he's lonely  
And I know he's only blue over you  
Only over you
