

# Haven't I Got Eyes

Janis Ian

Lose our souls to money  
And we lose our souls to love  
Lose our souls to passion  
And the silence from above  
Haven't I got ears to hear  
Haven't I got breath to breathe  
Haven't I got eyes to see  
What's happening to me

Sell our souls for money  
And we sell our souls for love  
Sell our souls for passion  
And the silence from above  
Haven't I got ears to hear  
Haven't I got breath to breathe  
Haven't I got eyes to see  
What's happening to me

And everybody I know just wants more  
You could fill death valley and not satisfy  
Nothing is enough when that hunger hits your gut  
Haven't I got eyes to see  
Haven't I got eyes to see

Blinded by money  
And we're blinded by love  
Blinded by passion  
And the silence from above  
Haven't I got ears to hear  
Haven't I got breath to breathe  
Haven't I got eyes to see  
What's happening to me
