

# We Should Be Dancing

Janis Ian

We both smiled and said "I do"  
You loved me and I loved you  
Now we make love with the TV on  
And we wonder where the feeling's gone  
I know it's not too late  
So don't you think we ought to celebrate?

We should be dancing  
We should be cutting the rug  
We should be dancing  
If we're so much in love  
Why keep it all inside?  
Let's set it free tonight  
And hear a little music  
Baby, we could use it  
We should be dancing

Here we in this Sunday school  
Memorizing a list of rules  
"Don't do this" and "Don't do that"  
Ain't no wonder we feel so bad  
If love is heaven-sent  
Don't you wonder where the feeling went?

We should be dancing  
We should be cutting the rug  
We should be dancing  
If we're so much in love  
Why keep it all inside?  
Let's set it free tonight  
And play a little Django  
Step a little tango  
Make a little music  
Baby, we could use it  
We should be dancing

We should be dancing  
We should be cutting the rug  
We should be dancing  
If we're so much in love  
Why keep it all inside?  
Let's set it free tonight  
And hear a little music  
Baby, we could use it  
We should be dancing
