

# Coming Back To You

Jann Arden

Ticking clocks and love-me-nots  
Heavy-hearted starts and stops  
A whack of thunder scared the dark  
Right out of the sky

And I am dreaming of another time  
When you and I were bound by beauty  
You and I were lovers in a perfect lullaby

It's alright, I'm all yours  
It's alright, no need to count the hours  
Tonight's the night  
That we say goodbye to sadness  
It's alright, 'cause I'm coming, coming back to you

Back to you  
Back to you  
Back to you  
Back to you

Remember when you're down and lost  
That hope is never really gone  
And love is filling up your lungs  
And lifting you up high

It's alright, I'm all yours  
It's alright, no need to count the hours  
Tonight's the night  
That we say goodbye to sadness  
It's alright, 'cause I'm coming, coming back to you, you

You gotta let yourself be loved by me, hee  
I'm gonna hold you up whenever I see-hee you falling

It's alright, I'm all yours  
It's alright, no need to count the hours  
It's alright, it's alright  
It's alright, it's alright  
It's alright (it's alright)  
(It's alright)  
It's alright, it's alright  
It's alright, it's alright  
(It's alright)  
It's alright, it's alright  
It's alright, it's alright  
(It's alright)
