

# Everybody's Pulling On Me

Jann Arden

Save me, save me  
Save me from myself  
I've been trying  
To be everybody else  
Save me, save me  
Save me from my life  
I've been living way down low  
And nothing's right

I've been lost  
I've been high  
I've been out  
Of my mind

Everybody's pulling on me  
Feeling up, falling down  
I've been sleeping all around  
Everybody's pulling on me  
Everybody's pulling on me

Save me, save me  
Save my precious soul  
I've been digging  
Myself a little hole  
Save me, save me  
Take me to the light  
I've been living  
Like a creature of the night

I've been lost  
I've been high  
I've been out  
Of my mind

Everybody's pulling on me  
Feeling up, falling down  
I've been sleeping all around  
Everybody's pulling on me  
Everybody's pulling on me  
(Yes they are)  
Everybody's pulling on me

Save me, save me  
Save me from myself  
I've been trying  
To be everybody else

I've been lost  
I've been high  
I've been out  
Of my mind

Everybody's pulling on me  
Feeling up, falling down  
I've been sleeping all around  
Everybody's pulling on me  
Everybody's pulling on me
