

## Glory Of Love

Jann Arden

You've got to give a little, take a little  
And let your poor heart break a little  
That's the story of  
That's the glory of love

You've got to laugh a little, cry a little  
Before the clouds roll by a little  
That's the story of  
That's the glory of love

^As long as there's the two of you  
You've got the world and all its charms  
And when the world is through with you  
You've got each other's arms

You've got to win a little  
Lose a little  
And always have the blues a little  
That's the story of  
That's the glory of love.

As long as there's the two of you  
You've got the world and all its charms  
And when the world is through with you  
You've got each other's arms

That's the story of, that's the glory of love.
