

## Holy Moses

Jann Arden

I don't know how I'll get by without you  
I'll be wrecked, I'll be ruined  
I don't know how I'll get past tomorrow  
I bet I'll be broken open wide

I don't think I told you, I feel terrible  
I've been sitting in this chair since Sunday  
In the same clothes with unwashed hair  
Nothing moving, I feel unusual

Holy Moses, I've been hanging over  
Holy Moses, I've been burned like a cigarette  
Oh Jehovah, I've been thrown a bone  
And I cannot remember when I was happy

Can you feel my heart beating like a thunder ball?  
Can you hear every sound  
I'm making in the darkness  
Without breathing  
Nothing moving  
I feel peculiar

I don't know, I can't tell  
If I am...myself  
If I was a good girl would I be here?  
If I was so stupid then what was what you did?  
You were not a good thing for me

Holy Moses, I've been hanging over  
Holy Moses, I've been burned like a cigarette  
Oh Jehovah, I've been thrown a bone  
And I cannot remember when I was happy

I don't know, I can't tell  
If I am...myself
