

Into the Sun

Jann Arden

Smack dab in the middle of sin
The whole world's in trouble again.
You feed a wicked heart and you kill a decent man;
Jesus Christ, JFK, Martin Luther, Amen
Jesus Christ, John Lennon, Matthew Sheppard, Amen

Hold your head high
Keep a smile upon your face.
You'll be gone before you know it.
Hold your shoulders square upon your back.
Turn your face into the sun.

You can complain if you want,
But keep in mind all the things that you've got.
You feed a wicked mind and you make a wicked heart
Jimi Hendrix, Janis Joplin, Elvis Presley, Amen
Jimi Hendrix, Janis Joplin, Elvis Presley, Amen.

Hold your head high
Keep a smile upon your face.
You'll be gone before you know it.
Hold your shoulders square upon your back.
Turn your face into the sun.

Hold your head high
Keep a smile upon your face.
You'll be gone before you know it.
Hold your shoulders square upon your back.
Turn your face into the sun.

Hold your head high
Keep a smile upon your face.
You'll be gone before you know it.
Hold your shoulders square upon your back.
Turn your face into the sun.
