

Love Will Be Waiting

Jann Arden

Sometimes life is walking on a razor blade
Sometimes life is burning the sun
Sometimes life is throwing all your cares away
And running just to run

All this love
All this love
Love will be waiting
All this love
Love will be waiting
Love will be waiting
Love will be waiting for you

Even when you don't believe in miracles
Miracles will still believe in you
Even when you think you can't do anything
Good you will be amazed

All this love
Love will be waiting
All this love
Love will be waiting
All this love
Love will be waiting
Love will be waiting
Love will be waiting for you

Hold your head up
Never be hard on yourself
Hold your arms out
Always be true
Hold your head up
Never be hard on yourself
Hold your arms out
Always be true

Always be true to yourself
And you'll make everything
Seem so light and so good

All this love
Love will be waiting
All this love
Love will be waiting
All this love
Love will be waiting
(Love will be waiting)
Love will be waiting
(Love will be waiting for you)
Love will be waiting for you
All this love
(Love will be waiting
Love will be waiting
Love will be waiting for you)
