

# Not Your Little Girl

Jann Arden

You can say what you want  
But I'm not your little girl  
You can stand in my path  
But you're never gonna  
Change anything that I do  
No you're never change me

I am big, I am strong  
I am right where I belong in the world  
No I'm not your little girl  
I'm not pretty but I'm smart  
And I'm bold and I'm brave  
I don't do what I'm told

I am an army  
I don't do what I'm told  
I'm your king and queen

You cannot rearrange me  
(I'm not your little girl)  
You cannot rearrange me  
(No I'm not your little girl)  
You cannot rearrange me  
(I'm not your little girl)

You can say what you want  
But you'll never pull me down  
You can push, you can shame  
You can make me take the blame  
It's okay, I don't need you  
I don't need you to believe me

I am cool and I'm wise  
And I'm larger than your life  
I am bigger than the sun  
Watch me burning to the end  
Of all time, I'll be fine  
Watch me breaking through  
The finish line, finish line

I am an army  
I don't do what I'm told  
I'm your king and queen

You cannot rearrange me  
(I'm not your little girl)  
You cannot rearrange me  
(No I'm not your little girl)  
You cannot rearrange me  
(I'm not your little girl)

You can say what you want  
But I'm not your little girl  
You can stand in my path  
But you're never gonna  
Change anything that I do  
No you're never gonna change me

I am an army  
I don't do what I'm told  
I'm your king and...  
I am an army  
I don't do what I'm told  
I'm your king and queen

You cannot rearrange me  
(I'm not your little girl)  
You cannot rearrange me  
(No I'm not your little girl)  
You cannot rearrange me  
(I'm not your little girl)
