

# Sleepless

Jann Arden

Take your coat and shoes off  
Come and sit beside me  
We could talk for hours  
Or we could just do nothing

Four billion people surround us  
So many souls lose their way  
All that we have is each other  
And that's all I've ever wanted  
Yeah, yeah, yeah

Don't you think it's funny  
Tell me what the point is  
We could die tomorrow  
Might as well enjoy this

Four billion people surround us  
So many souls lose their way  
All that we have is each other  
And that's all I've ever wanted  
Yeah, yeah, yeah

Give me all your disappointments  
I'll give you my secrets  
We could lay our heads down  
Or be forever sleepless

Four billion people surround us  
So many souls lose their way  
All that we have is each other  
And that's all I've ever wanted  
Yeah, yeah, yeah
