

# Decision

Jann

The world has given me a chance  
To try it again  
The sweat was running down my face  
And the palms of my hands  
He promised everything would change  
And still be the same  
Impossible to understand  
And yet it made sense

I might just be okay  
I can try and see  
I'm dying anyway

And now that I've made my decision  
I'll let you get on with your life  
Although I'm in no position  
To give you permission or not  
But now that I know what you're missing  
I'm nothing you need anymore  
It hurts but killing my ambition is harder than letting you go

I lost  
I gave up  
I deserted  
Part of my life  
Out of the window  
And I've never felt more alive  
I've nothing left to hide  
All is up to me  
And all accounted for

And now that I've made my decision  
I'll let you get on with your life  
Although I'm in no position  
To give you permission or not  
But now that I know what you're missing  
I'm nothing you need anymore  
It hurts but killing my ambition is harder than letting you go

And now that I've made my decision  
I'll let you get on with your life  
Although I'm in no position  
To give you permission or not  
But now that I know what you're missing  
I'm nothing you need anymore  
It hurts but killing my ambition is harder than letting you go
