

Emperor's New Clothes

Jann

Bow and smile
And nod your head
Approve, applaud
Agree, don't ever
Question the decisions of
The high almighty
God society

Prove that you are loyal to me
Lose your face and integrity
I will give you all that you need
Pride and dignity
Prove that you are loyal to me
Lose your face and integrity
I will give you all that you need
Pride and dignity

Just say I'll serve you my lord
I will sell you my soul
I won't leave you alone
I will
Give you more than you
Want for the love
That you give in return
I'll enjoy all the pain

It's all about the power, power, power
Climbing up the ladder, ladder, ladder
Am I the only one who doesn't want it
Power, power, power
Climbing up the ladder, ladder, ladder
Am I the only one who doesn't want it
There must be something wrong with me

Bow and smile
And nod your head
Approve, applaud
Agree, don't ever
Question the decisions of
The high almighty
God society

You'll be as a martyr to me
Dying for the crowd that you lead
Pedestal for you to believe
You're the only king
You'll be as a martyr to me
Dying for the crowd that you lead
Pedestal for you to believe
You're the only king

It's all about the power, power, power
Climbing up the ladder, ladder, ladder
Am I the only one who doesn't want it
There must be something wrong with me
Power, power, power
Climbing up the ladder, ladder, ladder

Am I the only one who doesn't want it
There must be something wrong with me
