Jann

Hi, how'd you get inside
Why'd you cross my mind
Right now of all times
Hey
You know I won't let you stay
You need to get away
Go away

I, I don't want to hurt you
But I'll have to
If you don't leave me alone
Me alone
I know
That you'd rather I do
Something else but it's not
For you to decide
To decide

Hi, oh it's been a while
You don't have to lie
I don't have much time
So
I just came to let you know
I wish you didn't have to let me go

I, I don't want to hurt you
But I'll have to
If you don't leave me alone
Me alone
I know
That you'd rather I do
Something else but it's not
For you to decide
To decide

The power in my violence
Makes me go insane
The power in my veins, in my head
Wouldn't let you be the same
